To whom it may concern

Uniscope Group Ltd have used the Consultancy Services provided by QSP Solutions since April 2014.

QSP Solutions guided us in the implementation of an ISO27001:2013 Information Security Management System within the company.

We were certified to ISO27001:2022 in September 2025 with Atlas Certification. QSP Solutions guided us in the Transition to ISO27001:2022.

Uniscope Group utilise the services of QSP Solutions to update and improve our Integrated Management System and ensure it continues to be compliant with ISO27001:2022, ISO9001:2015 and ISO14001:2015.

We would have no hesitation in recommending OSP Solutions to any organisation that requires an effective Management System which is compliant to ISO27001:2022.

Kind Regards
