Dear Sir or Madam

At Intellect we have extensive experience providing engineering expertise to process industries involved in food & beverages manufacturing, utilities, heavy industry and renewable energy.

We contacted QSP Solutions in early August 2010 in order to request a quotation for help implementing ISO9001 within Intellect.

Intellect were certified to ISO9001:2008 by Lloyds Register Quality Assurance in November 2010 and we have continued to use his services.

Intellect successfully transitioned to ISO9001:2015 on 3rd May 2017.

The company took the strategic decision to go for certification to ISO45001:2018, again using the services provided by QSP Solutions. We were certified to ISO45001:2018 by Lloyds Register Quality Assurance on 25th June 2019.

Intellect would have no hesitations in recommending QSP Solutions to any organisation wishing to gain certification to ISO45001:2018 and ISO9001:2015.

Yours Faithfully

Mr. John Thompson
Director & Company Secretary
