Dear Sir

Interlift Ltd were established in 2006. We contacted QSP Solutions in September 2007 to request a quotation for a three phase program that included certification to ISO9001, certification to OHSAS18001 and an Employment Law program.

QSP Solutions helped us implement a Quality System to ISO9001, which was certified to ISO9001 by LRQA in February 2008.

QSP started the Health and Safety System in October 2008. LRQA certified this to OHSAS18001:2007 in January 2009.

The final phase was the employment law program, which QSP developed for us in 2010.

QSP Solutions maintain and update our Quality Management System, Health and Safety Management System and our employment law programs.

Interlift Ltd highly recommend QSP Solutions.

Yours Faithfully

Mr. Kevin Chalmers
Managing Director
