

11 June 2021

Dear Sir or Madam

QSP Solutions are the consultants used by NVT Group to implement and improve our Integrated ISO9001:2015, ISO14001:2015 and ISO27001:2013 Management System.

NVT Group have a fully integrated Management System including:

- Integrated Management Reviews
- Integrated Objectives and Improvement Process
- Integrated Internal Audits
- Integrated Management Processes
- Integrated Operational Process
- Risk Management Processes

If your organisation wants to gain certification to ISO9001, ISO14001 and ISO27001 and have a fully Integrated Management System, then we would have no hesitation in recommending.

Yours faithfully

Hamish Fraser
Group Managing Director
