

21st February 2012

Dear Sir / Madam

RNJ Partnership LLP has used the services of QSP Solutions since 2008, when QSP developed a health and safety program.

QSP Solutions were the consultants chosen to implement a Quality System within RNJ, which was certified to ISO9001:2008 in August 2010.

Since then we have continued to work closely with QSP Solutions.

With the help of QSP we gained CHAS accreditation in May 2011 and ISO14001:2004 in November 2011.

QSP Solutions are currently developing an OHSAS18001 Health and Safety Managed System. Global Certification is due to conduct the stage 2 audit to OHSAS18001 in March 2012.

We would recommend QSP Solutions to companies wishing to gain certification to ISO9001, ISO1400, OHSAS18001 or CHAS.

Yours faithfully
For and on behalf of
RNJ PARTNERSHIP LLP
