TO WHOM IT MAY CONCERN

Uniscope Group Ltd have used QSP Solutions since April 2014.

QSP Solutions guided us in the implementation of an ISO27001:2013 Information Security Management System within the company.

We were certified to ISO27001:2013 in September 2014 by ISOQAR Certification.

Uniscope Group utilise the services of QSP Solutions to update our ISMS and ensure it continues to be compliant with ISO27001:2013.

We would have no hesitation in recommending QSP Solutions to any organisation that requires an effective Management System which is compliant to ISO27001:2013.

QSP Solutions also provide consultancy support to maintain and improve our ISO9001:2015 and ISO14001:2015 Management Systems

Yours faithfully
